Mail-in Pipette Calibration Promotion – UK & Ireland

Precision pipettes should come with a calibration certificate when purchased, then put on schedule for regular calibration, based on use. METTLER TOLEDO's team of highly skilled technicians are trained in all aspects of pipette service and calibration - for ALL major brands.

Get your pipettes calibrated from £14.00 or €16.00 each!

Testing Points	Readings	Single Channel		Multichannel*	
		As Found Calibration	Preventive Maintenance & As Returned Calibration	As Found Calibration	Preventive Maintenance & As Returned Calibration
2	2		£16.00 / €18.00		£80.00 / €90.00
2	4	£14.00 / €16.00	£18.00 / €20.00	£44.00 / €50.00	£82.00 / €93.00
3	10	£27.00 / €30.00	£50.00 / €57.00	£130.00 / €147.00	£190.00 / €215.00

*Multichannel pricing applicable to 8 and 12 channel pipettes only. For 16 and 24 channel pipettes the pricing will be double that of the multichannel pricing shown in the table, eg 16 and 24 channels, 2 x 4, As Found Calibration = £88.00/€100.00.

What you need to do

To access this pricing simply complete the relevant Decontamination Form via the links below, quote the Promotional Code and send in your pipettes!

Download UK Liquid Handling Decontamination & Order Form
